The Siberian Mouse, Masha and Veronika Babko, are two of the most prolific producers in the cartoon industry. Each year they produce over 600 episodes of their wildly popular TV show, so it's no wonder that they have a lot of experience teaching art students how to create their own cartoons. In this post you will find some helpful tips on how to get started with animation production. We recommend that you follow them closely, and before long you should be well on your way to experiencing the joy of bringing your own characters to life! So sit back and enjoy the article while we take you back to our studio in Siberia to learn!
