- How can I train for the COBIT 5 examinations?**

Training is available from the network of COBIT 5 Accredited Training Organizations (ATOs) and accredited COBIT 5 individual trainers who are assessed and certified by APMG International. The full list of COBIT 5 ATOs can be found at: www.apmg-international.com/co-bit5/search-at-ato
Only these organizations and registered partners/affiliates are authorized to deliver International COBIT 5 training.
- Do I have to receive training to sit the exam?**

It is not mandatory for COBIT 5 Foundation examination candidates to attend training before sitting the exam. It will be possible to sit the examination through our network of public exam centres. Please click on the link below for further information: www.apmg-international.com/co-bit5/public-exam-centres
It is mandatory for candidates to attend a training course before they can sit the COBIT 5 Implementation, Assessor, Assessor for Security and/or Implementing the NIST Standards using COBIT 5 (INCS) exams.
- How do I sit the exams?**

The COBIT 5 Foundation, Implementation, Assessor for Security and Assessor exams can be taken via an Accredited Training Organization (ATO) or accredited individual trainer, as part of an accredited training course.
The full list of COBIT 5 ATOs and individual trainers can be found at: www.apmg-international.com/co-bit5/search-at-ato
Alternatively, candidates who would prefer to self-study can sit the COBIT 5 Foundation exam through one of our public exam centres. Please click on the link below for further information on how to take an exam at a public centre: www.apmg-international.com/co-bit5/public-exam-centres
Please note that the COBIT 5 Implementation, Assessor, Assessor for Security and Implementing the NIST standards using COBIT 5 exams are not available via public exam centres.
- How much does it cost to sit the COBIT 5 examinations?**

If you are sitting the examinations through an accredited training organization, the costs of the exams are generally included in the course fee. APMG International use a global pricing structure, so for those sitting exams at a public exam centre, the cost is dependent on where the exams are being sat. To find out the cost in your region, please contact the APMG International Service Desk on +44 (0)1434 452450 or at: service@apmg-international.com
- Are there any pre-requisites for the COBIT 5 examination?**

There are no pre-requisites for the foundation examination and Implementing the NIST Standards using COBIT 5 (INCS) examinations. The pre-requisites for the COBIT 5 Implementation, Assessor and Assessor for Security is that the candidate must have passed the COBIT 5 Foundation exam and have attended an accredited Implementation/Assessor/Assessor for Security/Implementing the NIST Standards using COBIT 5 (INCS) training course.
